### **The 4 Steps to the Prayer Challenge:** Moving from a prayer wimp to a prayer warrior!

Learn the keys to moving from prayer wimp to prayer warrior! Here are the 4 basic steps to the prayer challenge:

- 1** Set aside a time each day where you can pray for 4 minutes. In 4 weeks, that's just 28 days, you will have formed a new prayer habit that will change your life.
- 2** Pray with confidence. Use the 7 prayer cards you receive each Sunday as the basis for your prayer time each day. You may also choose to use other prayers found in the free eBook, *Pocket Prayers*, if you get stuck and don't know what to pray.
- 3** Keep going. During your 4-week challenge, you may be tempted to quit. To help you stay the course, we will send you weekly emails written by Max Lucado designed to encourage you.
- 4** Share this Prayer Challenge with your friends. By sharing, you will help others improve their prayer life and perhaps find some accountability partners in your prayer walk.
